

Evacuation Script

Front of House Manager Script

"Ladies and Gentlemen, we have been advised that we need to evacuate the theatre for your safety. Our staff are wearing yellow tabards.

Please follow their instructions and use your nearest exit on this side (and/or rear, indicate as applicable). All those from the middle row forward, please use this exit. (indicate) All those from the middle row backwards, please use that exit (indicate).

**Please be aware that the lift is out of action.
If you require extra assistance, please let a member of staff know and they will assist you.
Please move now."**

Begin directing the evacuation, indicating which rows are to leave first.
