There are a number of spaces in the auditorium for wheelchair users and their companions; these need to be booked in advance to ensure availability.

A hearing loop is installed in the auditorium and will be in use for nearly all shows.

There is a strict 'No Smoking' policy in operation throughout the theatre and on the balcony at all times.

Dir Stanley Kubrick

UK/USA 1968 149 mins

Kubrick's spectacular science fiction masterpiece, with screenplay by Minehead's own Arthur C Clarke, comes to the Regal's 9m x 5m screen.

The film follows a voyage to Jupiter with the independently-minded computer Hal after the discovery of a mysterious black monolith affecting human evolution.

With spectacular imagery, special effects and a sound track of classical music, viewers experience the mystical vastness of exploration into the unknown and prophetically see the enduring influence that computers would have in our daily lives.

Pop up Opera with Humperdinck's

HANSEL AND GRETEL

In perhaps the most popular operatic fairy tale of them all, brother and sister Hansel & Gretel are drawn into the idyllic yet dangerous world of the forest, where they encounter the Sandman, the Dew Fairy and, most frightening of all, the Witch. In the dizzying excitement of the Witch's Ride and the serene beauty of the children's evening prayer, Humperdinck's music magically evokes the contrasting worlds of the story. A story that will enchant and thrill, a wintry delight.

Pop-up Opera is an innovative touring opera company which aims to broaden the appeal of opera and to challenge the way opera is performed, by taking it into unusual spaces and making it intimate and engaging. The company aims to reach those who are hesitant about opera, as well as dedicated opera lovers. Productions are fully staged but go beyond traditional theatres to a boat made of scrap metal, a restored Victorian poorhouse, a cylindrical shaft beneath the Thames, a cider barn, a winery and even 100ft underground in candlelit caverns.

A MONTH OF SUNDAYS

by Bob Larby

A Month of Sundays is a comedy about the difficulties inherent in growing old. Cooper who has gone into a nursing home rather than become a burden to his family, flirts valiantly with the female staff, banters with his room cleaner, gossips with his best mate Aylott and keeps a close check on his "record of physical deteriorations". However, underlying the comedy is the tension between an elderly independent man and the family who fail to understand his determination to lead his own life in his own way and the pathos found in the way Cooper and Aylott come to terms with the various ways that old age creeps up on us all.

Barnstormers

RING ROUND THE MOON

By Jean Anouilh

Adapted by Christopher Fry

The play is set in a French chateau's winter garden in spring on the occasion of a ball given by the elderly and wealthy Mme. Desmortes. Diana is engaged to Frederic but favours his identical twin Hugo. To save Frederic from an unhappy marriage, Hugo tries to distract him by bringing to the ball a beautiful dancer who masquerades as a mysterious personage and becomes the triumph of the occasion. As the relationships between these four are tugged this way and that, the ball gets under way in a fresh, sophisticated comedy where a single actor plays both Hugo and Frederic.

A talented group of Barnstormer regulars and gifted young actors bring alive the comedy and sparkle of the play as the audience wonders where it will all end up.

REGAL THEATRE TOKENS

If you need a good idea for a Christmas present, you may like to think about a Regal Gift Voucher, which is available from the Box Office at any denomination you choose. It's a perfect gift for anyone who enjoys theatre and films. There is no time limit on when a voucher is used and people can spend as much or as little of the Voucher's value at any one time, saving the remainder for another occasion.

THE REGAL FILM SOCIETY

The Regal Theatre is home to the Regal Film Society, which registered as a charity (number 1162286) in June 2015. It is the largest film society in the South West and the second largest in Britain, with more than 470 members. Recently released films from the UK and around the world are screened every month on one of the largest screens in the area, measuring 30ft x 15ft. The Regal Film Society has upgraded its projection equipment to a digital cinema package (DCP) of the type now used in most commercial cinemas, and is hoping soon to offer live streaming of major concerts, opera and theatre events.

Public screenings are organised by the Regal Film Society in addition to their members' programme of monthly film screenings which runs from September to June. There is often a short lead time between the release date of newly released films and when the film society can book them, so we cannot always include their titles in the Regal brochure. For up-to-date information about all film screenings at the Regal visit the website www.regalfilmsociety.org, email admin@filmsociety.org or sign up for the Film News mailing list by contacting Victoria Thomas on 01643 831343.

The cost of Film Society membership is £16.50 (individual) £27 (couple) and £11 (concessions) and tickets on the night cost £3 for members and £5 for non-members/guests. *Membership of the Film Society DOES NOT include membership of the Friends of the Regal.*

VOLUNTEERS ... WE NEED MORE!!

The Regal runs with the help of approximately 200 volunteers. We are always grateful to them and without their help we simply could not function. However, although we receive a lot of help, there are still some departments in the theatre which are short staffed and struggle on a daily basis to get all the work done.

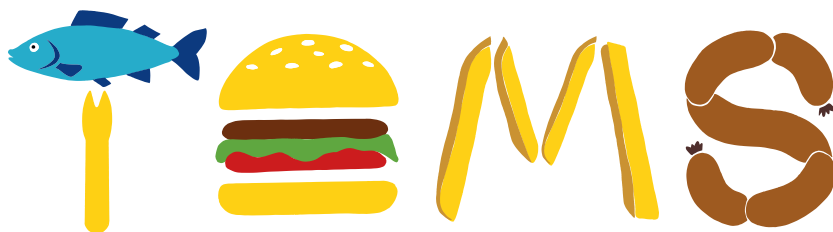

We seem to be programming an increasing number of shows and our technicians at the back of the auditorium, in the sound and lighting box are finding it hard to keep up with the pace. If anyone out there fancies trying their hand, please get in touch! In the first instance you would not be left on your own or unassisted. Full training would be given and the opportunity offered to shadow

experienced operators. Eventually you would be able to operate a sound desk, or know how to set up a lighting rig and operate the lighting for a show. Don't be shy! Contact the box office or the Regal through our web-site and we will get back to you.

We are also looking for people to help with production of publicity (social media, press releases, copy writing for the brochure etc.). Again, you would not be left unsupported; full training would be offered and help given as you started. We do not expect or hope that you would take on all the Regal publicity tasks, but that we can enlarge our publicity team and share out the existing tasks.

To volunteer anywhere in the Regal, go into the box office and speak to the box office volunteers, or contact the Regal through our web-site.

If you would like to appear on the stage, or to work backstage, with one of the MATA companies, visit the Regal Website, go to the OUR MEMBER COMPANIES tab and contact the companies directly.
